## SUMMARY

---

I completed a **Full-Stack Web Development** course. Strong understanding of both front-end and back-end development. Built an E-commerce website as a project, gaining hands-on experience. Eager to learn and work in a team environment.

## SKILLS

---

**Web Technologies:** HTML, CSS, Bootstrap

**Frontend Frameworks/Libraries:** React JS

**Programming Languages:** JavaScript, Python

**Backend Frameworks:** Django, SQL

**Source Code Management:** GitHub, Git

## CERTIFICATIONS

---

### Full Stack Web Development

- I have successfully completed a comprehensive 6-month **Full-Stack Web Development** course, equipping me with a solid foundation in both front-end and back-end technologies.

## PROJECTS

---

### E Commerce website:

- Completed an e-commerce website using full stack technologies. Gained experience in front-end development, back-end integration, user authentication, and payment gateway setup.
