Education

Year	Degree / Certificate	Institute / School	CGPA/Percentage
2021 - Present	B.Tech - IT	Sri Ramakrishna Engineering College	8.63(Till VI Sem)
2019	AISSE	Velammal Vidyalaya	93.4%
2021	AISSCE	Velammal Vidyalaya	91.6%

Area Of Interest

- Full Stack Web Development*
- Machine Learning and Algorithms*
- Data Structures*
- UI Designing

Technical Skills

- Programming languages: C, Python, Java
- Web technologies: HTML, CSS, JavaScript
- Database management: MySQL
- Operating system: Windows, Linux

PROJECTS

- **Calculating Return Loss Value of Antenna Using ML Trained Model**

Dr.C.Ranjeeth Kumar, Associate Professor, Dept. IT

Using a pre-trained Model to Find the Return Loss Value for a Particular Antenna with its Frequency Value.

- **Online On-Duty Solutions**

Mrs.S.Jansi Rani, Assistant Professor(SI. Grade), Dept. IT

The applying of On-Duty can be made using the online web application which reduces the pen and paper work and makes the process efficient.

- **Water Management System**

Ms.R.Rajalakshmi, Assistant Professor, Dept. IT

Detection of Leakage of Water in Pipes Using Sensors and Arduino.

Certifications and Internships

- Finalist in Honeywell Hackathon
- Semifinalist in MLSA Hackathon
- Semifinalist in Neura Hackathon
- Code Alpha Virtual Internship on Web Development
- Social Networks – NPTEL
- Techpro Solutions – Web Development*
- Alumni Trophy – Cricket – 4th
- Business English Certificate Preliminary

Languages Known: English, Tamil, Hindi, Telugu
