PROJECT KNOWLEDGE

Project Title: To-Do Tracker

Project Description: The “To-Do Tracker” is a robust and user-friendly web application designed to help individuals and teams efficiently manage, track, and organize their tasks. It leverages modern front-end and back-end technologies to offer a smooth and intuitive user experience. The application allows users to add, update, delete, and edit tasks, making it easier to stay organized and productive.

DECLARATION

I hereby declare that the information provided in this resume is true to the best of my knowledge and belief.
