PROFESSIONAL SUMMARY

- Results-driven Software Developer with expertise in full-stack development and client-focused software solutions.
- Skilled in requirement analysis and translating functional specifications into effective technical deliverables.
- Proficient in ensuring cross-browser compatibility for responsive and user-friendly web applications.
- Experienced in collaborating with clients to implement enhancements, resolve issues, and ensure project success.
- Hands-on expertise in **Javascript, HTML, CSS, Bootstrap, AJAX, JSON**, and **jQuery** for dynamic web development.
- Proven ability to design, develop, and optimize RESTful APIs for seamless system integration.
- Adept at testing, debugging, and providing post-deployment support to maintain high-performance applications.

EXPERIENCE

• **PYKARA TECHNOLOGIES**

Chennai, India

Software Developer

March 2021 – Present

- RequirementAnalysis:

Evaluate new requirements for the project, ensuring a comprehensive understanding.

- Functional Specification Comprehension:

Thoroughly graspand interpret functional specifications for effective implementation.

- DevelopmentandSupport:

Engage in both the developmental phases and provide on going support for the project.

- ClientInteraction:

Communicate with clients to address new enhancements and troubleshoot issues effectively.

- ImpactAnalysis:

Conduct thorough assessments to gauge the effects of enhancements or issue resolutions.

- Cross- browser Compatibility:

Ensurethesite's responsiveness and compatibility across various web browsers Involved in the development of the application using Angular,HTML, CSS, Bootstrap, AJAX, JSON and JQuery.

Generated REST API's ,Testing and Bugs fixing of existing API's Worked on various web applications, handling both front-end and back-end development tasks,ensuring seamless integration and use experience.

TECHNICAL SKILLS

- **Language Expertise:** HTML5, CSS3, Bootstrap, JavaScript, JQuery, TypeScript, Angular8+(upto v16), React.js.
- **Web Frameworks & Tools:** REST APIs, Adobe XD, Adobe Photoshop, Adobe InDesign, Visual Studio Code (VSCode), Git, Jira
- **Operating Systems:** Windows
- **Database:** SQL

EDUCATION

- **Surya Group Of Institutions** Villuppuram, India
Bachelor of Engineering in Computer Science Engineering *Aug 2012 – July*
2016

AWARDS AND ACHIEVEMENTS

- **On-Time Delivery Award:** Recognized for consistently meeting project deadlines, and ensuring timely deployment of critical applications.
- **Deployment and Monitoring Excellence:** Recognized for designing and implementing efficient deployment pipelines that streamline software releases. Developed and integrated monitoring tools to enhance system reliability, proactively identify issues, and improve operational visibility.
- **Employee of the Month:** Recognized for exceptional performance in project delivery and contributions to team success at Pykara Technologies
