

GUGANRAJ R

Full Stack Developer

📞 9344107990 @ guganraj261@gmail.com 🔗 linkedin 📍 Coimbatore

SUMMARY

I am a highly motivated Full Stack Web Developer with expertise in crafting modern, responsive, and user-centric applications. Skilled in HTML, CSS, JavaScript, React.js, Bootstrap, Node.js, Express, and MongoDB, I excel at delivering seamless frontend-backend integration. A proactive learner and collaborative team player, I stay ahead of industry trends to create innovative solutions.

EXPERIENCE

Frontend Developer

V Net Technologies

📅 07/2024 - 11/2024 📍 Coimbatore

A technology company focused on software development and IT solutions.

- Developed responsive, mobile-first web applications using React.js, HTML5, CSS3, and JavaScript.
- Optimized web applications for fast load times and mobile responsiveness.
- Conducted code reviews and implemented feedback to ensure high-quality, maintainable code.

Frontend Developer Intern

Edureka

📅 06/2024 - 06/2024 📍 Coimbatore

An online learning platform providing professional courses.

- Assisted in the development of interactive and responsive web pages using HTML5, CSS3, and JavaScript.
- Built dynamic, reusable UI components with React.js, allowing for seamless data updates.
- Debugged issues and improved the front-end performance of web applications, reducing load times and enhancing usability.
- Wrote clean, modular code following best practices and participated in peer code reviews to maintain coding standards.
