Web Developer

About Me

I am a passionate and ambitious web developer, eager to kick-start my career in the field. I am dedicated to learning and mastering the latest web technologies to create innovative and user-friendly websites.

Certifications & Internship

- Completed an internship at Inmakes Infotech, specifically in the domain of Java fullstack development.
- Python course completion certificate in Udemy.

Projects & Experience

➤ Freelance Web Developer

Vilvamworks

Collaborated with VilvamWorks, an interior design company, to design and develop their official website, providing a digital platform to showcase their innovative interior design projects.

➤ Personal Portfolio

Developed my personal portfolio using React.js, adorned with dynamic animations using GSAP and other libraries like Split-type and Lenis.

➤ Movie ticket booking application

Designed and developed a movie ticket booking website, focusing on the both frontend and backend, to enhance user experience.

Achievements

- Awarded by State Government of Tamil Nadu for winning State level artistic Gymnastics championship in the year 2017.
- Awarded by the State Government of Tamil Nadu for winning gold medal in the Divisional level Gymnastics championship in the year 2019.
- Won Gold medal in State level trampoline championship in the year 2017.
