OBJECTIVE

A highly motivated and skilled Full Stack Developer with a strong foundation in front-end technologies including HTML, CSS, JavaScript, and ReactJS. Proficient in creating dynamic, responsive, and user-friendly web applications. Experienced in working with WordPress to develop and customize websites. Adept at problem-solving, meeting project deadlines, and delivering high-quality results. Passionate about continuous learning and staying updated with emerging web technologies to drive innovation and efficiency.

PROFESSIONAL EXPERIENCE

JUNIOR WEB-DEVELOPER   JULY 2024– PRESENT
Webboombaa.org

- Designed and developed responsive websites using **HTML**, **CSS**, and **JavaScript**, ensuring cross-browser compatibility and optimal user experience.
- Customized and maintained **WordPress** websites, including plugin integration and theme development to meet client requirements.
- Collaborated with the design and development teams to deliver dynamic and interactive web pages aligned with project goals.
- Optimized website performance and ensured adherence to SEO best practices for improved search engine rankings.
- Troubleshot and resolved technical issues promptly to maintain smooth website functionality.
- Demonstrated strong attention to detail and commitment to delivering high-quality web solutions within deadlines.

PROJECTS

1. Hawkins Oven – Restaurant Website
Created a responsive and user-friendly website for Hawkins Oven to showcase their menu, special offers, and contact details.

- Built with HTML, CSS, and JavaScript for a visually appealing and responsive design.
- Added interactive features like a dynamic menu and smooth scrolling for better user experience.
- Customized logos, fonts, and colors to match the restaurant's branding.

2. SRK (Sharath Ravi Kumar) – Personal Branding Website
Developed a professional website for Sharath Ravi Kumar to highlight his portfolio, skills, and achievements.

- Designed with HTML, CSS, and JavaScript for a clean and modern look.
- Used WordPress for easy content updates and management.
- Ensured the site is fully responsive and works well on all devices.
- Included contact forms, social media links, and animations to enhance interactivity.
