INTERNSHIP

PROJECT TITLE : Weather App Development

Successfully completed a internship at Internzvalley where I developed a responsive Weather App. The app integrated APIs to fetch real-time weather data, implemented a user-friendly interface, and ensured cross-platform compatibility.

PROJECT

PROJECT TITLE : E-Commerce Book Website

Developed an E-commerce Book Website :
     Developed a user-friendly online platform for purchasing books using HTML, CSS, and JavaScript. The website included an intuitive interface, secure payment integration, and dynamic book recommendations. Worked collaboratively within a team to deliver seamless functionality, responsive design, and an enhanced user experience.

ACHIEVEMENTS

- I secured 10th rank in the Bharathiar University with CGPA of 9.17.
- In my college, I was elected as president through the voting process and it's been a year.
- During my Internship process I was awarded as a best individual performer.

CO-CURRICULAR ACTIVITY

- Certified in practising Hindi by clearing Prathmic, Madhyama, Rastrabasha, and Praveshika.

CERTIFICATIONS

- **Smart Phone Services & Trouble Shooting**   **Feb 2023**

Certification on Advanced Techniques for Smart Phone Services and Trouble Shooting. I have learned. to boost batteries and to solder chips.

- **Typewriting**   **Aug 2019**

Certification on Junior Level Typewriting.

- **Digital Training On Microsoft teams**   **Mar 2023**

Certification course on Digital Training on Microsoft Teams in Naan Mudhalvan Portal. I have learned about Excel, PowerPoint, and Word.

- **Full Stack Development**   **Apr 2024**

Certification on 30 days masterclass in full stack development conducted by NoviTech R&D Private Limited

- **Masterclass on React.js**   **Dec 2024**

Certification on 21 days masterclass in React.js conducted by NoviTech R&D Private Limited

DECLARATION

I ,hereby declare that the above information is true to the best of my knowledge.
